

Help for Teenagers - Creating Strength through the Power of Peers

White River Academy

White River Academy

The professionals at White River Academy are here to help you and reunite your family.

Behavior Learning Component

We will help your son realize his self-worth, his significance, his dignity and his responsibility to himself. Your son will begin to see the stress and pain he has caused others by his poor choices.

Positive Peer Culture

Focuses on an internal change within your son that will be long lasting. Teaches the individual how to create more healthy and effective social and family relationships. Teaches the individual the value of contributing something positive to his community.
